Is the public able to buy your products at other locations? If yes, where?

Artisan appearances at the summer market are determined by a specific system outlined in the DFM Rules and Regulations, providing for all Artisans an equal number of guaranteed appearances (around 5), with “peak season” date preference given to veteran Artisans. However, the Market Manager often needs to fill in Agricultural spaces, especially in the “shoulder seasons”. If you were to be called to fill in, how often would you like to participate in the market?

In regards to the Artisan Schedule, what Saturdays from the second Saturday in May through the last Saturday in October are you NOT available?

All Artisans are responsible for adhering to the Rules and Regulations of the Durango Farmers Market. This includes the collection and reporting of applicable sales taxes for the City, County and State. A valid and current City Business License is required and must be on full display at all times during the market.

I agree to provide a copy of my valid business license and proof of my current liability insurance no later than one full week prior to the first market I attend.

I have read and understand the Durango Farmers Market By-Laws and Rules and Regulations available at: <http://www.durangofarmersmarket.com/dfm-business-info-.html>
