How long have you participated in the Durango Farmers Market?

For past vendors, what size booth did you have last year? half (5'x10'); single (10'x10'); one-and-a-half (15'x10'); double (20'x10')

If available, what size would you prefer this year?
(Assume you will have the same size
unless new size confirmed by DFM.)

DFM asks all Value-Added vendors to attend every summer market from the second Saturday in May through the last Saturday in October. Are you willing to do that?

If not, what dates are you NOT available?

Is the public able to buy your products at other locations?

If yes, where?

Please also enclose a picture or sample of any labeling you plan to use on your products at the market.

Please list **ALL** foods and/or beverages, which will be brought to the market, along with the source of the ingredients. Please be aware DFM favors vendors who make use of local, organic, or sustainably/ethically produced ingredients. DFM also encourages the goal of 80% use of local ingredients. (Any additions or changes after vendor approval must be cleared by Market Manager):

DURANGO FARMERS MARKET SAMPLING GUIDELINES

If a food borne illness is linked to sampling foods at ANY farmers market in Colorado, the State Health Department has stated that they will consider not allowing any sampling, period. Therefore, we must be diligent and follow their guidelines very closely. It is each vendor's responsibility to become educated on what those standards are and how to follow them.
